ADDENDUM 2

The selected CM|GC will be required to provide a **Waiver of Liability and Hold Harmless Addendum for COVID-19** to document compliance with EO 21-29. In signing this form, the CM|GC attests that they understand that as of October 18, 2021, all of contractor's employees, sub-contractors of any tier, and agents, who are 16 or older and who are "engaged to provide goods or services to or at a school through any formal or informal agreement, whether compensated or uncompensated..." and "providing goods or services at or for a school that includes direct or indirect contact with students" are required to be vaccinated pursuant to OAR 333-019-1030. The selected CM|GC will also be required to attest that any of its employees, sub-contractors of any tier, or agents who are assigned to provide services under the terms of this Agreement has provided the CM|GC with either proof of vaccination showing they are fully vaccinated, or documentation of a medical or religions exception. For sub-contractors of any tier, the contractor attests that they are in receipt of a Waiver of Liability and Hold Harmless Addendum for COVID 19 attestation form from said sub-contractor attesting that they have same proof of vaccination or documentation of a medical or religious exemption.
