

This addendum forms a part of the Contract Documents and modifies the original Bidding Documents dated **December 08, 2021** as noted below. Acknowledge receipt of this addendum in the space provided on the Official Bid Form. Failure to do so may subject the Bidder to disqualification.

QUESTIONS AND CLARIFICATIONS

Question: on LBL ESD 2022 Abatement Project Bid Documents, drawings titled “ACM Abatement Locations” page 1/ 2 and 2/2 note 4 states: “Abatement contractor is responsible for all costs for the repair of damage that results from the abatement activities.” Is it mainly paint damage that will need to be repaired?

Answer: Per note on drawings mentioned above and 00 6000 3.14 Cutting and Patching, the Contractor will be responsible for any damages as a result of setting up containment or completing the work. Particular to this project, all walls will be painted during construction and paint touch up will not be required by the Abatement Contractor.
