QUESTIONS AND CLARIFICATIONS

Question: 3.4.C.2. Are you looking for copies of licenses for just our firm's key personnel, or also for subconsultants?

Answer: *We are requesting license numbers for key personnel for both the firm responding to the RFP as well as sub-consultants*

Question: Attachment D, Item C.: Is this the time our firm and subconsultant firm have been working together, or the time the consultant (person) has been with his/her firm?

Answer: *Attachment D, is for sub-consultants and the time working with the firm responding to the RFP.*

Question: Attachment D, Item D.: Are you looking for contact information for the architect, or for the owner?

Answer: *We are looking for contact information for the owner of the project that the sub-consultant is listing in their project history.*

Question: Please clarify the schedule on page 18 of the RFP (pasted below). My notes from the pre-proposal meeting indicate that they want to occupy the new structure in September of 2024 (maybe 2023 was intended?), but that they need to be ready ahead of that time. One month between going out for permit/bid and start of construction seems very tight.

Answer: The schedule may adjust once the Design Firm and CM|GC have been selected providing their feedback.
