QUESTIONS AND CLARIFICATIONS

Question: On Page 5 Section 2.1 D the resumes are called out to be counted in the 30-page limit and then called out to be not considered as part of the limit per 2.1 D 1. We know that the Athletics RFP corrected this conflict. Can you please confirm if they are or are not included in the page limit for this RFP?

Answer: Resumes do NOT count towards the 30-page limit as stated in Section 2.1.D.1.
