QUESTIONS AND CLARIFICATIONS

Question: Page 8 - Schedule dates, are these correct? Design February 2021 – November 2021 and Construction January 2021 – August 2021? “do you think this is supposed to be 2022, because the current dates don’t make sense for construction, we would be doing construction now?”

Answer: Corrected dates are: Design February 2021 – November 2021 and Construction January 2022 – August 2022
