

Bleacher Demo at Gold Beach Junior/Senior High School

# CENTRAL CURRY SCHOOL DISTRICT CAPITAL BOND PROGRAM

END OF MONTH REPORT – NOVEMBER 2024

HMKCO.ORG

# **GENERAL PROGRAM UPDATE**

The Gold Beach Junior/Senior High School main gym bleachers were demoed in preparation for the new ones to arrive in late November. These new bleachers are a much-needed improvement over the existing ones. These new bleachers feature automatic-telescoping capability, enhanced safety features and, most importantly, accessibility for all users.

The District, S&B James and HMK performed a constructability review onsite at both Gold Beach Junior/Senior High and Riley Creek Elementary. With design for the bond projects nearing completion, these exercises allow the project team to deliver the best product possible to the District and maximize the impact of the bond dollars. During the site walk the team was looking for any potential areas of conflict within the design, options for value engineering and performing an overall evaluation of existing conditions. This minimizes potential future change orders, reduces the project costs and ensures that the design documents allow potential bidders the best visibility for the work to be performed. Constructability reviews are one of the many benefits that come from bringing in the contractor early through the Construction Manager | General Contractor (CM | GC) alternative contracting method.

The design for both schools is now at 50% construction documents phase and the details are being finalized. The project team will begin focusing on mapping out the bidding schedule and working through the phasing of these projects to determine when the work can actually be performed onsite. There will be a heavy emphasis on construction over the 2025 summer break but the contractors will also be looking for opportunities to perform some of the work during the school year without displacing staff and students or disrupting the day to day operations of the schools.

# **PROJECT ADMINISTRATION**

Project administration and accounting support are two key areas critical to Program success. This is a combined effort of HMK Company and CCSD Accounting Department. As of November 20, 2024, we have requested 35 purchase orders and processed 95 invoices.

Contract Type	Number of Contracts	Value
Professional Service Agreements / Design Contracts	9	\$ 158,985
Construction Contracts	25	\$ 5,374,749
